

## **Wings and Wizards: A Magical Experience for the Whole Family this Summer at BC Place!**

*tickets now on sale*

*"Welcome, wizard apprentice... We have been waiting for you!"*

**SHINE Experiences** is proud to present **Wings and Wizards** at BC Place - an exceptional, immersive entertainment experience that promises to bring back a little magic into the lives of the young and young-at-heart all summer long!

Tickets for this enchanting, touch-free, and family-friendly experience are now on sale to the general public on the exhibit website: [www.wingsandwizards.com](http://www.wingsandwizards.com) and via **Ticketmaster**.

With a June 8 start date\*, Wings and Wizards is an interactive exhibit that merges world-building, art, tech, storytelling, and design to create a truly sublime magical adventure. Self-guided and touch-free, Wings and Wizards showcases the meeting point between technology and magic, making use of cutting-edge interactivity, such as motion tracking, proximity-based devices, lights, projections, props, and soundscapes — all to weave a truly spellbinding narrative experience.

*"Terrifying whispers have taken over the wizarding world:  
A rare, jewelled dragon egg has disappeared!*

*Finding the egg won't be easy.  
Only a real wizard, with true magic in their heart, is destined to  
find it.  
The wizards need your help to save the realm."*

Wings and Wizard's otherworldly odyssey inhabits over 7,000 square feet inside BC Place, encompassing a Wizard's Academy and an Enchanted Forest that will both amaze and delight.

This fantastical exhibit is produced by SHINE Experiences, a non-profit dedicated to bringing pass-through, audio-visual art experiences to the public. Wings and Wizards will showcase the talents of three of Canada's top locally based production companies: **Go2 Productions, Innovation Lighting** and **Spectra Event Group**.

Key to the entire adventure is your trusted magic wand, which will be used by your wizarding group to cast spells, solve riddles, and move through space and time! When your quest comes to its end, the wand is yours to keep!

Wings and Wizards has been specifically designed with stringent COVID-19 protocols in place, in full accordance with British Columbia's public health guidelines. Onsite rules and procedures for this contactless experience will include a mask requirement, hygiene stations, a definitive audience flow, and physically distanced, timed, and staggered entry for pods of up to 6 people within the same social bubble.

Tickets will be available online only via credit card purchase, with address verification built into that process. Should inter-provincial health restrictions on travel continue past the June 8 opening date, guests may rebook their tickets at no extra charge.

Wings and Wizards promises to bring magic back to Vancouver this summer!

Please Note: Strobe lights and flickering projections will be part of the exhibit, which will run approximately 45 minutes from entry to exit.
